## TERMS AND CONDITIONS

- Once package price is paid, there will be no refund allowed even if the pregnancy miscarries or if antenatal follow-up continues elsewhere.
- If antenatal follow-up continues with another doctor due to unforeseen reasons, payment will need to be paid to that doctor for that visit.

### Delivery Charges

- Normal vaginal delivery       \$2,400
- Assisted vaginal delivery     \$2,800
- Caesarean Section             \$3,500

The above delivery charges are the same regardless of the hospital you choose to deliver in.

The delivery charges are not inclusive of hospital charges for the room, delivery suite, operating theatre and anaesthetic fees. Hospital charges are dependent on which hospital you choose and the room type. If you have decided on the hospital you wish to deliver in, you can obtain more information about hospital charges and Medisave claims at the respective hospital's business office.

Bills for the baby are separate from your bill.

The list of hospitals include:

- Mount Elizabeth Novena Hospital
- Gleneagles Hospital
- Mount Alvernia Hospital
- Thomson Medical Centre
